LANJARI DEVELOPMENT FOUNDATION
(LDF) GHOTHI SINDH

Defence Day – 6th September-2024

Celebrated by Kids Education School System Khanpur Mahar with the collaboration of Lanjari Development Foundation under FAS-SEF Project:
The Kids Education School System, Khanpur Mahar, celebrated Defense Day with support from the Lanjari Development Foundation (LDF) under the FAS Project. The event aimed to honor the sacrifices of the armed forces. It included patriotic speeches, student performances, and educational activities highlighting the importance of national defense. The collaboration between LDF and the school helped instill a sense of patriotism and unity in the students. The celebration was successful in inspiring respect and appreciation for the country's defense services.

Teachers Day – 5th October-2024

Celebrated by Kids Education School System Khanpur Mahar with the collaboration of Lanjari Development Foundation under FAS-SEF Project:
The Kids Education School System, Khanpur Mahar, celebrated Teachers' Day in collaboration with the Lanjari Development Foundation (LDF) under the FAS Project. The event included motivational speeches, student performances, and the distribution of certificates to honor teachers' contributions. This program aimed to highlight the vital role of educators while fostering collaboration between LDF and the school. The event successfully motivated teachers, engaged students, and strengthened the community's commitment to education.

Inception Workshop – 16th September-2024

Inception Workshop organized by IRC at LDF Office Ghotki under SIGN-Project
Under the SIGN Project Inception Workshop, was held on September 16, 2024, at the LDF office, aimed to introduce the project's goals, objectives, and key components. The workshop facilitated collaboration among CSOs, IRC, MERF, SPO, and other stakeholders to ensure effective project implementation. Discussions covered the project's interventions, workplan, and the Monitoring, Evaluation, Accountability, and Learning (MEAL) framework. Stakeholders also outlined roles and responsibilities and agreed on next steps for the project's successful execution.
Project Goal: - Participants discussed the overarching goals of the project, emphasizing the importance of (SIGN In Targeted Union Councils of Ghotki)
Objective of the Workshop: - The primary objective of the inception workshop was to introduce the SIGN project, discuss its key components, and initiate collaboration between CSOs, the International Rescue Committee (IRC), MERF, and SPO to ensure effective project implementation.

Launching Ceremony – 9th October-2024

Launching Ceremony Organized by: LDF, VDO, IWA & HWA with the collaboration of IRC under SIGN Project at Galaxy Hotel Ghotki
The launching ceremony for the project "Strengthening Local Civil Society and Community-based Organizations and their Capacity in the Nutrition Sector in Sindh" under the collaboration of International Rescue Committee (IRC) took place on October 9, 2024. This significant event aimed to formally introduce the project to key stakeholders and partners, fostering collaboration and building a network of organizations committed to improving nutritional health in the region. The ceremony was attended by a diverse group of participants, including representatives from prominent organizations such as WHO, IRC, SPO, MERF, the Revenue Department, PPHI, THQ Ghotki, LHS (Health), the Education Department, WWF, SRSO, Livestock, SSDO, and the Assistant Commissioner of Khan Garh and Panu Aqil. The primary purpose of the ceremony was to raise awareness about the project's objectives and to engage stakeholders in a collective commitment to addressing malnutrition in Sindh.

Community Awareness and Sensitization Campaign on Nutrition – 30th September-2024

Community Awareness & Sensitization Campaign on Nutrition organized by LDF with the support of SPO in Village Thario Malik under SIGN Project
In Village Thario Malik, with the collaboration of SPO, LDF has organized a Community Awareness and sensitization Campaign on Nutrition. The "Community Awareness and Sensitization Campaign on Nutrition" has successfully concluded, leaving a significant impact on the participating communities. Throughout the sessions, attendees engaged in interactive session that covered essential topics related to balanced diets, the importance of nutrition for health, and practical meal preparation techniques using

locally available ingredients. Participants demonstrated a newfound understanding of the critical role nutrition plays in their daily lives, particularly for vulnerable groups like children, pregnant women, and the elderly. The inclusion of local health workers proved invaluable, as they reinforced the campaign messages

and provided ongoing support, enhancing community trust in the information shared. The establishment of school gardens was a highlight, allowing children to actively participate in growing nutritious foods, fostering a sense of ownership over their health and dietary choices.

World Food Day – 15th October-2024

World Food Day organized by LDF with support of IRC under SIGN Project at GLSS Khangharh Sharif
The World Food Day event, held on 15th October in collaboration with IRC, brought together students, community members, and key stakeholders to promote awareness about food security and sustainable nutrition. The event began with a recitation, setting a reflective tone.

Following this, a student speech competition was organized, where participants spoke passionately about food and nutrition issues. The speeches showcased the students' understanding and

raised awareness among their peers. The session also included a Q&A segment where students actively engaged, demonstrating their knowledge and curiosity. Prizes were distributed to motivate and recognize the efforts of participants. Mr. Zaheer Ahmed from IRC delivered a comprehensive speech, highlighting the urgent need for collective action against food insecurity and malnutrition. He emphasized the importance of community collaboration to ensure that everyone has access to nutritious food. Mr. He advocated for local solutions to improve dietary choices within the community. Mr. Zulfqar Ali from MERF shared insights on the health sector's critical role in addressing nutritional challenges. He elaborated on the healthcare services provided to support improved nutrition and reduce malnutrition rates.

Three Days Training of Nutrition Champions – 05, 06 & 07 November-2024

Three Days Training organized by LDF with the support of IRC under SIGN Project at LDF Office Khanpur Mahar

The three-day training for Nutrition Champions aimed to build the capacity of participants by equipping them with essential knowledge, practical skills, and effective strategies to address malnutrition and related challenges in their communities. This training was conducted under the context of the increasing burden of malnutrition in District Ghotki, where the participants, who have a strong community presence, were expected to play a crucial role in the identification, prevention, and referral of malnutrition

cases. The training agenda was meticulously designed to cover key topics, including an introduction to malnutrition, nutrition basics, screening techniques, referral procedures, child protection, community mobilization, advocacy, and effective communication skills.

malnutrition, nutrition basics, screening techniques, referral procedures, child protection, community mobilization, advocacy, and effective communication skills.

Community Awareness and Sensitization Campaign on Nutrition– 8th November-2024

Community Awareness and Sensitization Campaign organized by LDF with the support of SPO under SIGN Project at Village Gul Akbar Pathan

LDF has organized a program under the title of Community Awareness and Sensitization Campaign on Nutrition with the collaboration of SPO In the Village Gul Akbar Pathan. The "Community Awareness and Sensitization Campaign on Nutrition" has successfully concluded, leaving a significant impact on the participating communities. Throughout the sessions, attendees engaged in interactive session that covered essential topics related to balanced diets, the importance of nutrition for health, and practical meal preparation techniques using locally available ingredients. Participants demonstrated a newfound understanding of the critical role nutrition plays in their daily lives,

particularly for vulnerable groups like children, pregnant women, and the elderly. The inclusion of local health workers proved

invaluable, as they reinforced the campaign messages and provided ongoing support, enhancing community trust in the information shared. The establishment of school gardens was a highlight, allowing children to actively participate in growing nutritious foods, fostering a sense of ownership over their health and dietary choices.

Theater on Balance Diet and Mother and Child Nutrition in Village Thario Malik UC Lohi– 9th December-2024

Theater on Balance Diet and Mother and Child organized by LDF with the support of IRC under SIGN Project at Village Thario Malik

The theater performance aims to raise awareness and educate communities about the importance of a balanced diet for mothers and children, as well as the harmful consequences of early marriages. Through an

engaging and relatable storyline, the theater highlights how proper nutrition during pregnancy and early childhood ensures healthy growth and development while preventing malnutrition and related health issues. It also

addresses the negative impacts of early marriages, such as maternal health complications, child mortality, and stunted growth, emphasizing the importance of delaying marriage and pregnancy to improve maternal and child well-being.

The performance combines storytelling, drama, and interactive elements to keep the audience engaged while promoting behavioral change. By fostering dialogue within the community, the theater encourages collective action to adopt healthier practices, challenge harmful norms, and prioritize the health of mothers and children for a better future.

Youth Dialogue under the project Electoral Quality & Inclusiveness in Pakistan (EQUIP) 10th December-2024

Youth Dialogue under the project Electoral Quality & Inclusiveness in Pakistan organized by: LDF, HWA, GDF, Alakh & Sky Foundation with the support of Goth Seengar Foundation (GSF)

16-Activism Days No Silence No Violence-10th December-2024

16-Activism Days No Silence No Violence, organized by LDF, VDO, HWA & IFWA with the support of IRC-EU under SIGN project at GDC Ghotki

The LDF, VDO, HWA & IFWA were organized the event with title The "No Silence, No Violence" event, organized as part of the 16 Days of Activism campaign, with the collaboration of International Rescue Committee (IRC), SPO & MERF activity aimed to raise awareness about gender-based violence (GBV) and empower individuals to speak out against it. The event, held on [date],

brought together a diverse group of participants, including local community members, stakeholders, government representatives, civil society organizations (CSOs), and students, all united in their commitment to ending violence against women.

The primary goal of the event was to create an open platform for dialogue, education, and action surrounding the issue of GBV. Through a series of

engaging activities, including debates, expert panel discussions, and community outreach, the event highlighted the importance of breaking the silence that often surrounds domestic violence and gender-based discrimination. The event's theme, "No Silence, No Violence," served as a call to action, encouraging everyone present to take a stand against violence and promote gender equality.

Culture Day- Kids Education School System Khanpur Mahar 14th December-2024

Culture Days celebrated by KESS-1 under FAS Project with the collaboration of Sindh Education Foundation (SEF)

The Kids Education School System in Khanpur Mahar, in partnership with the Lanjar Development Foundation (LDF) and with financial support from the Sindh Education Foundation, successfully organized a Sindh Culture Day program. The event aimed to celebrate and promote Sindh heritage through cultural performances, traditional attire, and interactive activities. It brought together students, teachers, and local community members, fostering a sense of unity and cultural pride. Key

highlights included traditional music, dance, handicraft exhibitions, and storytelling sessions. The students of different classes of this school has been performed speeches, tab lows, dance, quiz competition, sports activities etc in the event. This celebration underscored the importance of preserving Sindh culture while creating an educational and engaging environment for participants. At the conclusion of the Sindh Culture Day event, the Head Teacher of the Kids Education School System extended heartfelt thanks to all the participants, organizers, and volunteers who contributed to making the event a success. The HT expressed gratitude to the students for their enthusiastic performances, to the teachers for their support, and to the

community members and artisans who showcased their talents. Special thanks were given to the Lanjar Development Foundation and the Sindh Education Foundation for their financial and organizational support. The HT emphasized the importance of continuing to celebrate and preserve Sindh culture for future generations and thanked everyone for their active participation in making the event memorable.

Culture Day- Kids Education School System Dargahi Arbani 14th December-2024

The Sindh Culture Day program, organized by Kids Education School 5 Dargahi Arbani in collaboration with the Lanjar Development Foundation (LDF) and financial support from the Sindh Education Foundation, was a vibrant celebration of Sindh heritage. The event featured a wide array of activities, including traditional music, speeches and dance performances, a showcase of Sindh handicrafts, and storytelling sessions that highlighted the region's cultural history. Students from the school participated actively, displaying their talents through cultural presentations, speeches, traditional dress showcases, and engaging in workshops on local crafts. The program also included traditional food stalls, cultural games, and a poetry recital. The event concluded with a speech of thanks from the Head Teacher of the school, who acknowledged the efforts of all participants, organizers, and partners. The celebration successfully fostered a sense of cultural pride and unity, with the community coming together to honor the traditions of Sindh.

In the last of Sindh Culture Day event, the Head Teacher of the Kids Education School System 5 Dargahi Arbani extended heartfelt thanks to all the participants,

Culture Day- Kids Education School System Azmat Bharo 21st December-2024

Culture Days celebrated by KESS-3 under FAS Project with the collaboration of Sindh Education Foundation (SEF)

The Kids Education School System 3 Azmat Bharo celebrated Sindh Culture Day with great enthusiasm and participation from students, teachers, and the local

community. Supported by the Lanjar Development Foundation (LDF) and the Sindh Education Foundation, the event featured a range of cultural activities, including traditional music and dance performances, exhibitions of Sindh crafts, and storytelling sessions. Students from the school actively showcased their talents, wearing traditional attire like *Sindh topi* and *Ajrak* while participating in workshops and games that highlighted the vibrant culture of Sindh. The event concluded with a speech of thanks from the school's Head Teacher, who expressed appreciation for the efforts of everyone involved and emphasized the importance of preserving Sindh heritage.

Culture Day-AALTP Center Khanpur Mahar 21st December-2024

Culture Days celebrated by AALTP Center under AALTP Project with the collaboration of Sindh Education Foundation (SEF)

The AALTP Center Khanpur Mahar, in collaboration with the Lanjar Development Foundation (LDF) and with financial support from the Sindh Education Foundation, organized a vibrant Sindhi Culture Day celebration. The

event aimed to honor and showcase the rich heritage of Sindh through a series of engaging cultural activities.

Participants, including learners and instructors from the center, showcased their talents in traditional Sindhi music, dance, and storytelling. A special handicraft exhibition featured traditional Ajrak printing, pottery, and embroidery, reflecting Sindhi craftsmanship.

The program also included a display of Sindhi attire, cultural games and a variety of traditional Sindhi dishes at food stalls.

In the last of Sindhi Culture Day event, the Head Teacher of the AALTP Center Khanpur Mahar extended heartfelt thanks to all the participants.

SPO Organized District Level Intersectoral Workshop at Mirpur Mathelo

SPO organized a District Level Intersectoral Workshop in Ghotki, Sindh to highlight and address malnutrition issues in Sindh, with the support of our partners International Rescue Committee Pakistan and MERF-Medical Emergency Resilience Foundation. The workshop reviewed ongoing interventions, efforts, and achievements across different sectors and, assessed coordination mechanisms and, identified gaps in addressing the malnutrition situation in the District Ghotki, shared progress on the last Intersectoral action points. The workshop featured group discussions on current progress, challenges, issues, and gaps within each sector and a Presentation outlining key findings and recommendations. The workshop participants discussed the ongoing efforts, identified gaps, and

developed actionable recommendations for future interventions.

Graduation Ceremony (Safeguarding Mentorship Program)

Final Graduation Ceremony for the second cycle of the RSH Pakistan Hub Mentorship Programme, This ceremony celebrates the achievements of mentees from across the country who have dedicated the past months to advancing safeguarding practices within their organizations.

District Coordination Committee for Nutrition (DCCN)

Held a DCCN meeting under the chair of Deputy Commissioner Ghotki

The DCCN is a committee that brings together various stakeholders at the district level to work together on improving nutrition in the community. Its main goal is to coordinate nutrition efforts and ensure that effective measures are in place to combat malnutrition and improve overall health.

Here's a simpler explanation of what the committee does:

Coordination and Collaboration:

The DCCN brings together multiple departments (like Health, PPHI, Education, Agriculture, livestock, population) and organizations working on nutrition to make sure they are working in harmony. This helps avoid duplication of efforts and ensures all nutrition programs are linked and effective.

Planning and Implementation of Nutrition Programs

The committee helps plan and oversee the implementation of nutrition programs at the district level, making sure they address the unique needs of the local population. This meeting is held in every month in the office of Deputy Commissioner Mirpur Mathelo.

Provincial Nutrition Exhibition organized by the International Rescue Committee (IRC)

P-Nutrition Exhibition organized by IRC under SIGN Project at SALU Khairpur

The Provincial Nutrition Exhibition, organized by the International Rescue Committee (IRC) with support from the European Union (EU), was held at Shah Abdul Latif University (SALU), Khairpur.

The event brought together 15 (CSOs) partnered with IRC, government departments, district authorities, nutrition-focused organizations, and other

stakeholders to address malnutrition and promote better nutrition practices. Participating organizations displayed their programs and highlighted community-based approaches to combat malnutrition. Educated participants on balanced diets, maternal and child nutrition, and affordable health practices.

Outcomes

- Empowered participants with knowledge about nutrition and low-cost health solutions.
- Built networks among CSOs, government entities, and stakeholders for future collaboration.
- Highlighted the need for prioritizing nutrition in provincial planning and resource allocation.
- Shared successful strategies for addressing malnutrition across the province.

Kitchen Gardening Steps taken by LDF in UC Lohi & Mithri

As part of the ongoing efforts to promote sustainable nutrition and food security, our project has initiated a Kitchen Gardening activity in various villages across the region. This initiative aims to empower local communities by encouraging them to grow their own fruits and vegetables, thereby enhancing household food availability and improving nutrition levels.

Through this activity, we are providing resources, and ongoing support to community members, enabling them to establish and maintain their own home gardens. The kitchen gardens are designed to be low-cost, high-yield, and easy to manage, ensuring that even families with limited resources can benefit

from fresh produce.

Visit of the LDF office Additional Deputy Commissioner-II

On January 7, 2025, Mr. Majid Hameed, Additional Deputy Commissioner-II / Assistant Commissioner, visited the LDF Office, The purpose of the visit was to review the activities of the Nutrition Project, and we are maintaining ongoing collaboration with him to secure the NOC.
